SAFETY

We care for each other!

We assess risks before acting

We strive for zero incidents/ accidents

We keep our workspace clean and tidy

RESPECT

We value diversity

We treat nature with respect

We act ethically in everything we do – it is the basis for all our (inter)actions

We work together respectfully and trustfully

ENGAGEMENT

We reach company goals through ownership and team- work

We respect our processes and improve where possible

We seek solutions that make a difference for our stakeholders

We recognize outstanding contributions

Our values drive our actions
